Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Cookie, Usage Data, Geographic position, Email, Username, Password.

Other Personal Data collected may be described in other sections of this privacy policy or by dedicated explanation text contextually with the Data collection.

The Personal Data may be freely provided by the User, or collected automatically when using this Application.

Any use of Cookies - or of other tracking tools - by this Application or by the owners of third party services used by this Application, unless stated otherwise, serves to identify Users and remember their preferences, for the sole purpose of providing the service required by the User.

Failure to provide certain Personal Data may make it impossible for this Application to provide its services.

The User has responsibility for any Personal Data of third parties obtained, published or shared through this Application and confirms that it has their consent to provide them to the Owner.

The personal data of a User can be forwarded to a third country in case the User has indicated that he/she is looking for a job and the employer is

located there. But this can only be done if the User will give the explicit consent for the transferring of his/her data.

Mode and place of processing the Data

Methods of processing

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the site (administration, sales, marketing, legal, system administration) or external parties (such as third party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Data Controller at any time.
